📌 Additional Information

Breakfast:

All 5 ★ and 4 ★ hotel rates include breakfast for **two** adults. If you book a **three-beds room**, it comes with **three** breakfasts. Children taller than 1.2 m are charged as adults ($10 for 5 ★, $7 for 4 ★).

Extra beds:

Adding an extra bed costs **50% of the room rate**- this is generally not recommended due to poor value.

On-site vs. Off-site:

Except for the two 4 ★ hotels (which require a shuttle), all other accommodations are **inside the park**. You can walk to the venue and avoid shuttle schedules, offering a more convenient experience.

If you book outside the park on your own:

A daily park entry fee of $10 per person will be charged. To save time at the gate, we recommend purchasing entry passes in advance.

Booking advice:

Bed spaces are limited – early reservation is strongly advised to ensure enough beds for all participants.
